

ABOUT EH&S

Environmental Health & Safety (EH&S) aims to ensure that you go home safely in the same manner, if not better, than you did before you came on campus.

Our mission is to provide leadership and outstanding services that enhance the research and educational process by integrating excellent health, safety, and sustainability practices into the campus culture and activities.

UCR Goals

A sustainable campus with:

- Zero Injury/Illness
- Zero Property Loss
- Zero Environmental Damage

We assist in the areas of Personal Safety, Performance (Business Continuity), Resource Protection (Property, Environment, Special Collections), and Image/Public Relations.

SERVICES
